As you may know, elections for ETFO Halton are on, and I'd like to tell you about a candidate who I believe is the best choice for the job. Her name is Jen Reid, and she is running for Vice President, Open. She is a hard worker and creative thinker, with a successful record of accomplishments in her involvement with the local. She is ready to work full time to proactively create leadership or member engagement opportunities, to help support teachers, or just to be there for you if you ever have questions or need union help.

To learn more about her, take a look at her website at [jenreid.ca](http://jenreid.ca).

Thank you!

5. Remind people to vote on election day: it will be March 27th - 29th. It will be an online vote so it is very easy to vote!

**THANK YOU for spending time helping me be elected to represent you!**
